

1U 19" MODULAR FIBER PATCH PANEL - BLACK

Products Description

- Exceptional material properties and design - providing a unique Lifetime Warranty.
- Integrated full installation accessories (supplied free of charge), including clip organizers and T-raps - providing a simple and elegant cable termination and identification.
- High density 1U 24 port design - providing a compact panel and economical space use.
- One basic unit fits all types of connectors - providing high flexibility, low cost and easy to handle stock.
- Top access into the panel - providing easy and comfortable cable management.
- Most panels are expandable up to 48 core (via LC adapter) - providing a fast and low-cost method to double the panel's capacity.
- Optional back-side cable management with clip organizer and trap connection - providing simple and easy cable handling.
- Robust and installer-friendly design - providing reduced installation and operating costs.

Applications

- Fiberoptic & copper backbone termination in data closets
- FiberOptic & copper distribution
